

STRATEGY SESSION INFORMATION SHEET

Do you feel stuck, frustrated and overwhelmed on what to do next? Let's swap all that for a clarity, confidence and an actionable plan to help you move forward.

WHO IS THIS FOR?

This session is for ambitious women who aren't ready to work with a coach long term, but who desire a burst of laser-focused, personalised support to help them fast-track to where they want to be.

WHAT'S INCLUDED?

All one-off sessions:

- **Pre-Strategy Questionnaire** - An in-depth form that will provide the foundations for an epic session together.
- **Private coaching session** - We'll get you out of your funk and equipped with clarity, confidence, a clear direction and map to get you there.
- **Fun & fearless guidance** from me that has you walking away feeling in alignment and bursting with excitement to take more action.
- **My laser-focused commitment, attention and energy** on you and your business. Expect breakthroughs, new skills and crystal clear direction.

- **A clear road map** so you keep leaping forward beyond our session.

3 hour and full day session only:

- **7 days Viber support** post-session, to ask any questions that pop up in your newly inspired state!
- **20 minute check-in call** 4 weeks after your strategy session, giving you a level of accountability to take fast action, plus a boost of support to help you through any challenges and lulls that arise over the month (because they happen to the best of us and support is the best tool to ensure you keep you progressing!).

FORMATS & INVESTMENT

You have 3 formats to pick from:

90 minute - \$300

3 hour - \$450

Full day - \$700

The full day session must be in-person. The 90min or 3hr options work brilliant via Skype.

What is more impact, income and your dream life worth to you?
